MANUAL TIMING ASSISTANCE

THE ITS MANUAL TIMING® SOFTWARE PROVIDES YOU WITH HELP DURING MANUAL TIMING.

ADVANTAGES OF USE

Associated with our specific 32-key **ITS CONTROL BOX**, it allows you to give a time to a competitor's number in one click, which it will have automatically retrieved from your timing software.

32-key
ITS Control Box

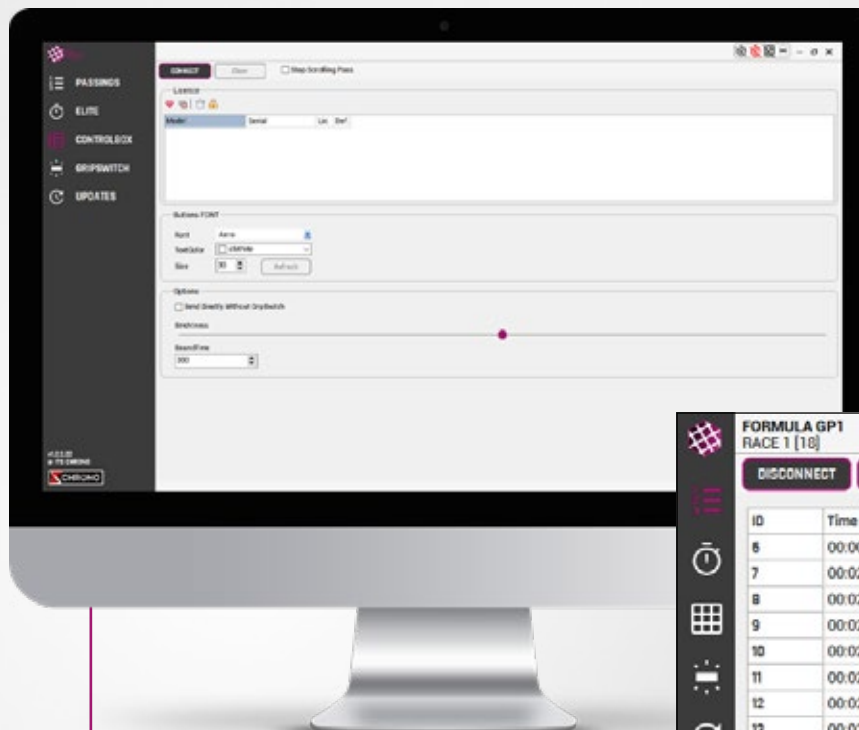

OPTION

By adding a **HL18-USB** manual contactor to the system, you will be able to read a time while keeping your eyes on the race and assign this time to a competitor in one click on the specific ITS Control Box 32 keys.
