Elite and LS rechargeable transponders are also sold in individual kit uncluding 1 holder, 1 clip and 1 charger.

(LS model)

TAG HEUER BY CHRONELEC : EXPERIENCE AND TECHNOLOGY

The experience of TAG Heuer by Chronolec in timing, allowed the elaboration of a whole range of transponders.

Their reliable technology makes these transponders, **undeniable and essential precision tools**. Whatever the sport, the level of competition, the technical constraints, you will always find the right transponders for your needs.
